THE IDEA

- To help the underprivileged earn for themselves in a respectable way.
- To train people and make them pursue businesses instead of relying on monthly income.
- Considering the market is now opening, this will also help us move towards a healthy economy as we'll be eliminating unemployment.

THE IDEA

- Due to COVID-19, Karachi has seen a substantial drop in school admissions and educational resources. They struggle to keep their doors open and lack adequate physical infrastructure and safe, inclusive environments that nurture learning.
- UNAP will adequately equip low-income schools including, making a LIBRARY.
- Expenditures of the renovations will be shared on an equal basis by UNAP and the school's administration.
- Teacher Training Programs will resume supporting quality education.
