UNAP and IMC agreed to continue the 5S training for a second year, aiming to effectively train Pakistani youth and professionals, in alignment with the UN's Sustainable Development Goals and IMC's ecological conservation objectives.

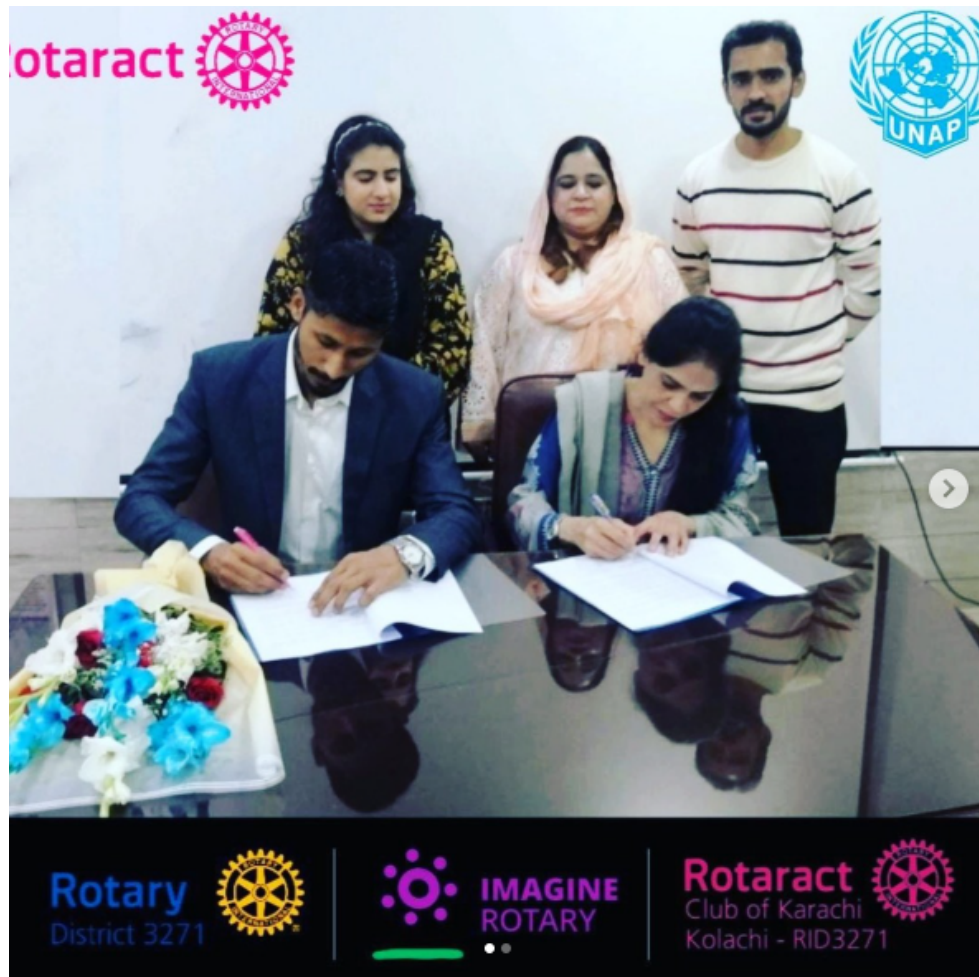

Of the 16,639 participants, over 94% found the 5S training useful, and nearly 96% intended to apply it. Additionally, approximately 66% reported increased environmental awareness, and 80% expressed interest in activities like tree planting.

# One Million Tree Plantation Project

UNAP and IMC's One Million Tree Project achieved full success! All 100,538 ordered plants planted. This significant accomplishment represents a substantial contribution to environmental conservation and community well-being.

# MOU signing with Rotaract Club Karachi

A Memorandum of Understanding (MOU) was signed between Rotaract Club Karachi and UNAP, marking a commitment to joint efforts and future cooperation on shared objectives.

# Plantation Drive with Rotaract Club and Urban Forest

A Memorandum of Understanding (MOU) was signed between Rotaract Club Karachi and UNAP, marking a commitment to joint efforts and future cooperation on shared objectives.

# UNAP GHG Audit at Pharmatech Pakistan

PharmaTech is Pakistan's first pharmaceutical company to receive UNAP's GHG Verification Certificate and it aims to make carbon neutrality achievable and cost-effective for our clients.
