(attend only once)

Online Session
(1 hour only)

UNAP and IMC agreed to continue the 5S training for a second year, aiming to effectively train Pakistani youth and professionals, in alignment with the UN's Sustainable Development Goals and IMC's ecological conservation objectives.

The training revolved around the UN Sustainable Development Goals and the Japanese 5S Philosophy, which help in making individuals more efficient, organized and sustainable

One Million Tree Plantation Project with IMC

UNAP partnered with Toyota Pakistan to launch the One Million Tree Plantation Project to contribute towards the Sustainable Development Goals.
